AURUM

(90% Blackout Fabric)

AURUM 90% Blackout Fabric

Our 90% Blackout Curtains are designed to combine style, privacy, and functionality. Made with high-density woven fabric, these curtains effectively block up to 90% of external light, making them ideal for bedrooms, living rooms, offices, and media rooms. The fabric not only reduces light but also helps minimize heat and outside noise, creating a calm and comfortable environment throughout the day. With a smooth texture and premium finish, these curtains drape beautifully and add a modern touch to any space. Available in multiple colours and sizes, the curtains are easy to maintain, durable, and crafted to provide long-lasting performance.
